

M.S. in Seed Technology
Sher-e-Bangla Agricultural University
July-December 2023
Research Methodology (STEC 509)
List of Assignments

(Assignments must be submitted as an e-mail attachment to mhzsauag@yahoo.com)

Put your name and registration number in the Subject line of the E-mail

Course Teacher: Prof. Mirza Hasanuzzaman

Sl. No.	Reg. No.	Name	Topics
1.	17-08079	Sujan Sarker	Role of BARI on the agricultural development of Bangladesh
2.	19-09696	Pingky Rani	Role of BIRRI on the agricultural development of Bangladesh
3.	23-010030	Md. Shameem Reza Forhad	Role of BJRI on the agricultural development of Bangladesh
4.	23-010063	Zannatul Farzana	Role of BINA on the agricultural development of Bangladesh
5.	23-010064	Rakibul Islam	Status of seed quality research in Bangladesh
6.	23-010065	Rejalun Nur	Layout and design for an experiment with different seed treatments on seed quality of soybean
7.	23-010066	Md. Sarwar Hosen	Methodologies for data collections on different parameterers related to seeds
8.	23-010067	Md. Sakib Khan	Comparative properties of different software for agricultural data analysis
9.	23-010068	Md. Sarowar Jahan	Layout and design for an experiment with different seed size on seed production of soybean
10.	23-010069	Md. Naymur Rahman	Layout and design for an experiment with different seed rates on seed quality of mustard
11.	23-010826	Tamim Hasan	Layout and design for an experiment with different sowing dates on seed quality of wheat
12.	23-010827	Sahadat Hossain	Layout and design for an experiment with different micronutrients on seed quality of mungbean
13.	23-010828	Montaser Ahmed Sakib	Layout and design for an experiment with water management on the seed yield and quality of maize
14.	23-010829	Md. Shamim Islam	Layout and design for an experiment with biofertilizer on the yield of pulse crops
15.	23-010830	Nasir Uddin	Layout and design for an experiment with time of harvest on the seed quality of potato
16.	23-010831	Md. Aminul Islam	Steps of conducting an agronomic experiment
17.	23-010834	Urbee Chakma	Status of seed technology research by public organizations in Bangladesh
18.	23-010835	Shayla Morium	Status of seed technology research by private organizations in Bangladesh
19.		Debobrata	Prepare a PowerPoint Presentation on seed priming (10 slides) following proper guidelines
20.		Mesbah	Data collection of experiment with rice
21.		Shafiqu	Data collection of experiment with wheat
