

**Department of Agronomy**  
**Sher-e-Bangla Agricultural University**  
Ph.D. in Agronomy  
AGRO 516 (Agronomic Research)  
Semester: January-June/2026

**List of Assignment**

(Assignments must be submitted as an e-mail attachment to [mhzsauag@yahoo.com](mailto:mhzsauag@yahoo.com))

Put your **name** and **registration number** in the Subject line of the E-mail

**Course Teacher: Prof. Mirza Hasanuzzaman**

| Reg. No. | Name of the Student    | Title of the Assignment   |
|----------|------------------------|---|
| 19-09404 | Piyal Das Rowdra       | Brief introduction, review of literature, appropriate design, treatments, detailed analysis and interpretation on: Effect of planting density on the performance of transplanted rice   |
| 20-10412 | Md. Nurunnobi Mondol   | Brief introduction, review of literature, appropriate design, treatments, detailed analysis and interpretation on: Effect of micronutrient on the yield of rice                         |
| 20-10419 | Mst Israt jahan Eva    | Methodologies for different physiological parameters for oil crops  |
| 20-10430 | Khandkar Rifatul Hasan | Brief introduction, review of literature, appropriate design, treatments, detailed analysis and interpretation on: Effect of potassium on the growth and yield of wheat                 |
| 20-10439 | Mst. Tohura Khatun     | Brief introduction, review of literature, appropriate design, treatments, detailed analysis and interpretation on: Effect of micronutrient on the yield of rice                         |
| 20-10495 | Mishouri Saha          | Data collection procedures and methodologies for agronomic research on millet crops   |
| 20-10559 | Moshiur Rahman         | Brief introduction, review of literature, appropriate design, treatments, detailed analysis and interpretation on: Effect of different weed control methods on the performance of wheat |
| 20-10577 | Farzana Akter          | Methods for growth analysis of agronomic crops  |
| 20-10585 | Abdur Rob              | Role of BARI on the agricultural development of Bangladesh  |
| 20-10609 | Arpita Saha            | Role of BRRI on the agricultural development of Bangladesh  |
| 20-10619 | Rajia Akter            | Role of BJRI on the agricultural development of Bangladesh  |

| Reg. No.    | Name of the Student    | Title of the Assignment  |
|-------------|------------------------|--|
| 20-10651    | Md. Shamim Rahman      | Role of SRDI on the agricultural development of Bangladesh                             |
| 20-10667    | Md. Nazmus Sakib       | Data collection procedures and methodologies for agronomic research on pulse crops     |
| 20-10678    | Nilima Tabassum        | List of stress-tolerant varieties developed by BARI and their special features         |
| 20-10713    | Sanzida Tasnim         | List of stress-tolerant varieties developed by BRRI and their special features         |
| 20-10754    | Saptarshi Roy          | List of stress-tolerant varieties developed by BINA and their special features         |
| 20-10756    | Shadman Shakib         | Research methods for plant stress experiments  |
| 20-10757    | Pronati Paul           | Data collection procedures and methodologies for agronomic research on wheat           |
| 20-10782    | Maisha Akther Momo     | Mention step-by-step data analysis for the correlation coefficient of two sets of data |
| 20-10786    | Zobaer Ahmend          | Common data analysis software for crop science research and their description          |
| 25-010743   | Tasnia Akter           | Overview of Bangladesh Sugarcrops Research Institute                                   |
| 20-010744   | Moriom Akter           | Overview of Bangladesh Tea Research Institute  |
| 25-010745   | Farhana Akter Ritu     | Overview of Bangladesh Agricultural Research Council                                   |
| 20-010785   | Md. Borhan Ali Sorker  | Common errors in data collection and their remedies                                    |
| 23952/00192 | Mohammed Lutfar Rahman | Data collection procedures and methodologies for agronomic research on rice            |
| 25010802    | Takdira Rahman         | Utilities of regression analysis in agronomic research                                 |
| 08-02850    | Md. Ahsan Habib        | Data collection procedures and methodologies for agronomic research on sugar crops     |
| Reserved    |                        |  |
| Reserved    |                        |  |
